Notes:

- Coached sessions will stop 15 minutes before session end times to allow 15 minutes of coach supervised, unstructured free play.
- "2hoppers" will be chaperoned to the area outside the bottom of the lodge. If you prefer to have your child chaperoned to a specific spot please discuss with the coach.
- We are still looking for parent/sibling volunteers who would like to help set up and supervise the terrain park at the end of each session.
