Biathlon Bears Fun Day!

To wrap up our first season of the Biathlon Bears program at Sovereign Lake, our first Fun Day was held on Sunday, March 5th.

A mini-biathlon sprint race was held, followed by a fun relay race in which teammates had to shoot a balloon, pop a balloon between their knees and ski a loop before tagging the next relay partner.

Cookie medals went to:

Coaches helper - Ethan Gellar

Junior girls - Jordan Korol, Torey Huntley (with a great comeback from a broken arm!)

Senior girls - Alexa MacDougall, Brittany Hammerl, Morgan Hillis

Senior boys - Tie- Gavin Banning and Bryan Cookson

(We missed you Josh Christie!)

- Watch next fall for registration for the Biathlon Bears program
- Thanks for a great year!

We have had a great first season. Thanks to all the Bears and parents for your hard work and great attitudes this season! We have been so impressed with your dedication and improvement, and we look forward to more fun next year! Have a great summer! Thanks again, your coaches: Lisa Wright and Leanne Ingham
