

Grooming Operator Job Description

The Grooming Operator and Maintenance Lead is a seasonal full-time position. There are two components to this job to create this full-time seasonal scenario.

As Grooming Operator, you will work 3 days per week grooming the ski trails of Sovereign Lake Nordic Club working under the direction of the Grooming Lead. As a grooming operator a resume listing a minimum of three years of heavy-duty machinery driving with Pisten Bully and Prinoth snow cat driving experience mandatory. Grooming operators must also have extensive snowmobile and quad experience. It is preferred to attain groomers that are cross country skiers so they can understand the requirements and intricacies of grooming for our sport more effectively.

Duration: October 1^{5th} – May 15th

Compensation: Based on Experience

**overtime should be expected during high snowfalls and during racing events. This time is billed at the appropriate and legislated rates.*

SAFETY

- As an employee of Sovereign Lake Nordic Club (SLNC) you will follow the operating procedures and protocols of the SLNC Safety Plan and SLNC Staff Manual.
- Attend monthly Staff Meetings and scheduled Grooming team meetings.
- Attend monthly Safety Committee Meetings

GROOMING

- Meet the agreed upon grooming standards of SLNC and Silverstar Mountain Resort as directed by the General Manager.
- Responsible for setting Classic and Skate Ski Lanes, single track classic trails on small machines and assisting with pre-season packing of Snowshoe and Backcountry Ski Trails.
- Have the ability to work by yourself and maintain alertness throughout the night as grooming usually takes place between midnight and 9am.
- Work with the Head of Grooming to create a work calendar that is mutually beneficial.
