Created: 2013-03-13

Revised: 2015-10-20

Preamble

The Sovereign Lake Nordic Club has been granted exclusive rights by BC Parks to charge fees and operate programs within our permit area (as defined in the Park Use Permit) and as approved in Annual Operating Plan.

Policy

SLNC recognizes that large group visits are important to achieving our goals as a club and that sometimes these groups do travel with their local ski pros. SLNC will consider activities such as coaching/instruction or commercial service providing they meet criteria required of their grouping and are viewed in the best interest of SLNC by the Board and Management.

Group A includes the following:

1. CCC Sanctioned Clubs, who travel to our facility, to offer programs to their members.
2. Educational Groups traveling from out of area with their own instructors and students.
3. Groups with full time/full season coaches traveling for variety or snow.

SLNC generally grants access to these groups conditional to the following criteria.

1. These groups must allow SLNC first right of refusal on additional coaching/instructional needs.
2. These groups must not compete with core products offered by SLNC.

Group B includes the following:

1. Commercial Tours from out of town.
2. Commercial Products complimentary to SLNC vision
3. Not-For-Profit products complimentary to the SLNC vision

SLNC considers contract use of our facility to Group B conditional to the following criteria.

1. \$10 million 3rdparty liability insurance naming Sovereign and all other required partners.
2. Non-competitive with existing core products/services.
 - a. Contracted product must not detract or compete directly with our core product/programs
 - b. Contracted product must not create market confusion.
 - c. Contracted product must not compete for staffing resources
3. Congruent to current MOU between BC Parks and Resort Division Branch of FLNR.
4. Work Safe BC registration and coverage for all employees.
5. Function under SLNC code of conduct for employees/contractors.
6. Discretion of the SLNC board/management.

7. Written contract stating terms and fees.

Instructional programs, coaching or commercial enterprises, which do not fit the above criteria, are not permissible within SLNC's permit area; as stated in our exclusive commercial BC Parks Use Permit.
